### Summary of reasons for decision:

The image file depicts three naked children in a playful situation in a shower. While there are some concerning elements to this image, overall it presents as a candid family shot. There is nothing in the image that can be reasonably considered sexual in nature. The image does not deal with matters of sex, or any other matters, under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it raise any issues under ss3A or 3B of that Act. It must, therefore, be classified unrestricted. This classification places no limitation on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
